Re: EFC 2020 Playoffs

Hello,

I hope all is well with you and your families so far during these trying times in the year 2020. I send this correspondence to all members of the Eastern Football Conference as to the status of the playoffs for this season.

I am extremely disappointed to announce this year's EFC playoffs are cancelled. With the continual changes, the possible inability of school districts to host a game and the many other issues that we are faced with on a day to day basis, led the executive committee to this decision.

It is my hope that we will return to a state of normalcy for next year to continue the tradition of EFC playoffs.

Thank you for your understanding with this difficult decision. The executive committee believes it is in the best interest of all involved.

Good luck in the remainder of your season.

Sincerely,

Mike Hromyak
EFC President
